Journal Entry for 03/11/202

Activities: what you accomplished this week.

- ○ Completed Quad Template for Pitch
- ○ Selected a focused topic for project
- ○ Selected data we believe may work for the project
- ○ Studied research studies with data attached on the subject we are interested in: social extremism
- ○ Assisting teammates: posted a few research studies with data around topics of interest so we may select one as a team, helped to organize times to meet and complete work together, communicated with team by discord to stay organized

Challenges: list anything that was particularly difficult like

- ○ Data we have may or may not be complete. We may need to email the research authors for data set

Plans: what you plan to work on next week.

- ○ Next week we plan to meet and discuss how to pitch our project effectively
- ○ Look closer at the preliminary data we have found and decide if it is usable or if we need to reach out to the author for a data set.
- ○ Decide if our data is ready or needs to be cleaned for use
- ○ Create a persona
- ○ Decide on idioms needed for persona
- ○ Complete Data Source Identified assignment

Comments: Feeling excited about the topic and preliminary data we have found at this time. I think we can create some meaningful visuals for our user.
